Personal Training

A one-on-one session with a professional trainer, including a consultation, body measurements, and a workout tailored to your individual needs and goals. The minimum session duration is 45 minutes. This service is available once every six months.

Sports events

Sports events are a great way to test your abilities and experience unforgettable moments. With a discount code, you can join selected sports events across the country at a better price.

Equipment rental

Thanks to our partnership with Decathlon Rent, you have access to a wide range of gear suited for various sports and activities. Take advantage of the equipment rental service and enjoy being active – no need to buy your own!

Sports equipment service

In partnership with Decathlon, Medicover Sport offers professional sports equipment servicing. Once a week, you can access one of the selected service options – helping you reduce maintenance costs while improving the safety and comfort of your gear.
